Resolution

The 18th Triennial Congress of the Women's International League for Peace and Freedom, 18 December 1970-2 January 1971 in New Delhi, India:

We affirm our policy of support for the seating of the People's Republic of China in the United Nations Security Council, the General Assembly and all other organs of the United Nations. China should also be invited to participate in the disarmament talks in Geneva. Disarmament questions and other world problems cannot be resolved without the active participation of the People's Republic of China.
